### FROM LIMERICK AND NENAGH:

Take the **M7** motorway to junction **22** (Roscrea and Templemore). Come off and head to ROSCREA on the **N 62**. At the first roundabout on the bypass (petrol station and McDonalds on the left) turn left towards Limerick. Go to the next roundabout and take the 2<sup>nd</sup> exit right to ROSCREA town centre. About 500 metres on turn left (just before a stone bridge over the river) onto the **R491** in the direction of **SHINRONE**.

Follow as **from Shinrone at the end of this document**

**Alternatively** take the old N7 from Nenagh. At the first roundabout on the N7 coming onto the Roscrea by-pass, take the first exit off it into ROSCREA. Go down a hill, passing factories and a garage on the right and cottages on the left. At the bottom of the hill, just before a bridge and at a bright pink painted building, turn left in the direction of SHINRONE R491 (approx 9.6 km).

You will arrive into Shinrone village on the leg of a T with a pub called Spain's on your right.

Turn right at the T, go past the school, then keep left at the Catholic Church in the direction of BIRR.

Pass houses both sides, then a graveyard, then 2 more houses on the right.

Look for small GATE-LODGE with black curved iron railings on the left. Turn into the drive and follow until you reach blue painted 2 storey house.

### FROM ROSCREA:

Take the **N 62** in the direction of BIRR. Approx 4 miles (6.4 km) on, at the Black Bull pub (on the left) crossroads turn left onto the **N 492** signposted SHINRONE.

Do not take an earlier sign for Brosna and Shinrone as it will bring you past Bellefield down into the village.

**Then at the Black Bull Pub:** Follow road for approx 3miles (4.8km) miles, over 2 bridges, then a straight run across bogland (on left), past small unsigned crossroads. You will come to a bad left-hand bend (signed) with 2 small roads to the right. Follow bend in the main road keeping left but slow down.

Almost immediately after the bend on the road there is a small GATE-LODGE on the right surrounded by black curved iron railings. Turn right onto the drive and follow it to blue painted 2 storey house at the end.

If you have reached a cemetery on the left you have gone too far!

## FROM SHINRONE

Drive for 6km approx. until you reach a T-junction in the village of Shinrone.

Turn right onto the **R492** in the direction of Birr. Follow the road through the village, keep left at the church, pass about 10 houses, then a graveyard, then 3 more houses, all on the right.

Almost opposite the last house is an entrance on the left with curved iron railings and a small GATE-LODGE. Follow drive down to the blue painted house. That is Bellefield.
